

Welcome

TO DOWNTOWN HOUSTON

AN ICONIC HOUSTONIAN NAME, REBORN

The story of The Laura, an Autograph Collection Hotel is linked to the steamship of the same name which inspired the property's rebirth. Just as The Laura once forged intrepidly ahead, our hotel will help to take Downtown Houston into a brave new future filled with culinary excellence, inspiring creativity, and opportunities for both business and pleasure too numerous to count.

SERVING UP THE LONESTAR STATE

At Hull & Oak Southern Kitchen the cuisine from around the corner and throughout the South is equally at home. Texas is a melting pot, and here its far-flung flavors are highlighted in unique dishes suiting all southern tastes. Meanwhile, The Laura Bar pairs fresh ingredients and the finest liquors to create libations more likely to be remembered than to simply help one forget.
